

Membership Application

The United States National Ramsar Committee (USNRC) is an organization formed to support the goals and objectives of the Ramsar Convention on Wetlands within the United States and internationally. The USNRC provides support and advice to initiatives that promote the conservation and wise, sustainable use of domestic and international wetlands.

USNRC members are U.S. non-governmental organizations, both non-profit and for-profit, and local and state governmental organizations that have an interest in supporting the objectives of the Ramsar Convention.
